Dear Prayer Partner,

As we embark on a new year, I stand in awe once again of God's faithfulness and the way He continues to bless the ministry of Oblong Children's Christian Ministry. Our needs continue to be met by amazing donors, we are fully staffed, and the young people we serve are surrounded by love. As you continue praying for Oblong Children's Christian Home, take time to [praise our heavenly Father](#) for the amazing things He has done for us.

Continued prayer requests I have are to bring the right young people to Oblong Children's Christian Home. And our homes are full of young people who desire to make changes in life and open their hearts to the Lord. Change is hard, and many of our young people come to us bearing heavy burdens or past life experiences that make them resistant to change.

Some additional prayer requests are that the staff will experience a refreshed spirit as we start the new year. Please pray that we will be God's instruments to share God's grace and mercy with the young people we serve. That we will have strength, peace, wisdom, and patience with each new situation we encounter.

Your faithful prayers help us maintain a solid foundation for the work we do. [Thank You!](#)
